

LIZA

Travertine or Marble Pendant

LIZA features a sleek cylindrical silhouette and a distinctive offset design, creating a soft, ambient glow while celebrating the unique character of natural materials.

Available in travertine or marble, each piece showcases its own organic textures. The warm illumination filters through the central diffuser, highlighting the depth and richness of the stone while creating an inviting atmosphere. Perfect as a standalone feature or styled in a cluster, LIZA brings a timeless sense of sophistication to both contemporary and classic interiors.
