

LUCA

Travertine Wall Sconce with Globe · Model WT269

A refined balance of softness and stone, designed to feel timeless, earthy, and effortlessly elevated.

The LUCA wall sconce pairs a smooth frosted glass sphere with a natural travertine base, bringing warmth and quiet texture to any space. The rounded travertine backing features subtle variations, pores, and tonal shifts unique to each piece, making every light one of a kind. Perfect beside a bed, in hallways, bathrooms, or layered within living spaces, this sconce adds an understated sculptural presence both on and off.
