

LUMA

Travertine LED Wall Light · Model YB003

Inspired by the earthy and raw authenticity travertine brings to a space, LUMA is the perfect addition to elevate any space, for interior or exterior use as a waterproof product.

The LUMA LED wall light seamlessly blends cutting-edge lighting technology with a sleek, natural design, making it an ideal choice for modern interiors. With its circular backlit profile in elegant travertine, it offers a sophisticated yet timeless look while ensuring superior performance and features a warm colour temperature of 3000K (warm white).
