

LYSA

Ceramic & Glass Wall Lamp · Model WC2473

Softly sculptural and effortlessly refined, Lysa is a gently curved ceramic shade paired with an opal glass sphere, its minimalist silhouette creating a striking interplay of form, texture and light.

The ceramic dish softly frames the illuminated glass globe, diffusing light to create a warm and inviting ambience. Thoughtfully understated, Lysa offers a subtle statement that complements a variety of interior styles, from modern minimalist and Japandi to organic contemporary spaces.
